

# Welcome to ALUMNI HOUSE!

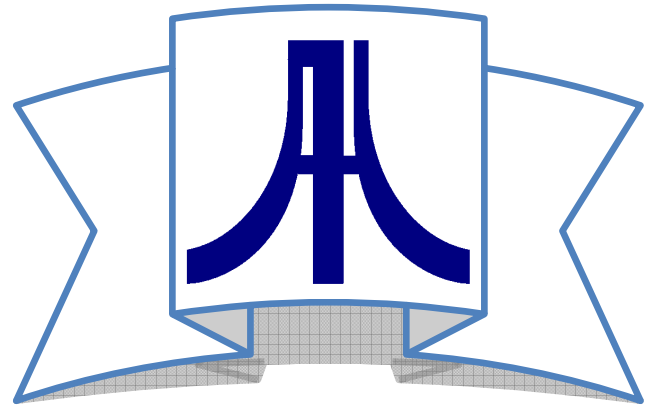

## Home is Where the House Is!

Alumni love - get ready for it. Welcome to Western: the next era of your life, and your new home: Alumni House. Home is where The House is and us Alumni Sophs are confident you will fall in love with The House lifestyle. You are coming here to make a new home and lucky for you Alumni is the only residence on campus to be called a "House" and our spirit truly lives up to our name. Get ready to pack all your worldly belongings (or the bare necessities?) and make your journey towards Western.

## Home of Heroes!

This year at Alumni House, we are focusing on a time long ago where in the faraway land of Ancient Greece it was a Golden Age of extraordinary young heroes. Now it is YOUR turn. When the stars finally align and you pull up in front of your home for your first year at Western... wait for it... and brace yourself for your trainers. Represented by the mythical icon of Chiron, the Soph Team is here to bring out the REAL Heroes that live inside all of you. We are ready to move you in and help you realize your true potential. That is what your story here at The House will be about.

Your Alumni House Soph Team
